## BRONZE GAISCE WALK

The value of doing the Gaisce cannot be overstated and at Star Outdoors we offer one of the best packages available – the walks, accommodation, location and leadership all combine to make for a truly rewarding experience.

### DAY 1

Arrive to the upper car park of Torc Waterfall around 10:30 / 11am where your guides will meet your group. Your bags will be off loaded from the coach and Star Outdoors will arrange for them to be dropped back to Kenmare as the walk gets underway.

The rest of the day will be spent travelling along the Old Killarney Road (part of the spectacular Kerry Way) back to Kenmare and en route your group can keep look out for deer, hares, wild goats and, most impressive of all, the white tailed sea eagle who was reintroduced to the park back in 2007. The family make for an incredible sight as they fly over head.

On arrival back to Kenmare you will stay overnight in the self catering apartments located in the grounds of the Kenmare Bay Hotel.

### DAY 2

Star Outdoors staff will greet you bright and early at the apartments ready for the final stage of the Gaisce walk. The group will be supervised from the apartments to Templenoe Pier where the school bus can collect you for the trip home.
